

## Technical Data Sheet

### **ARMOR ALL® Original Protectant**

Your vehicle is exposed to dirt, grime and harmful elements like UV rays and oxidation every day. Count on Armor All®, the undisputed leader in car care, to help keep your vehicle looking as good as the day you bought it. We have designed our proprietary Original Protectant formula to meet even the highest standards. Other products may call themselves protectant, but only one can call itself Armor All®!

- \* Cleans away dirt, dust and debris
- \* Helps prevent cracking, fading, discoloration and premature aging
- \* Enhances your vehicle's deep, rich look and adds beautiful shine
- \* Helps renew and revitalize vinyl, rubber and plastic

#### **TIPS & TRICKS**

Exterior plastic and rubber are exposed to UV damage too! Be sure to protect them every time you wash your car to keep it looking great.

#### **WHERE TO USE**

Dashboards            Vinyl Seats

Door Panels            Consoles

Tires/Trim            Bumpers

#### **ATTENTION**

Not for use on floors, vehicle controls (pedals, grips, steering wheels), bench or cycle seats, cycle tires, brake drums and other surfaces where slipperiness may be hazardous. Do not use on or near clear plastic surfaces, glass (may cause smearing), fabric, woven materials or paint.

#### **USAGE DIRECTIONS**

- 1 - Shake well.
- 2 - Apply liberally to a clean cloth and spread evenly, or spray directly onto surface.
- 3 - Wipe off excess.
- 4 - Apply as needed to maintain surface appearance and protection.

#### **FOR BEST RESULTS**

For previously untreated surfaces and best results: Three applications are recommended. Wipe off excess.
